¹ Any withdrawal from a **PRU**Wealth Plus (SGD) policy is a partial surrender and must be requested by the customer. ² Capital guarantee is after the 10th year if you purchased a **PRU**Wealth Plus (SGD) policy of single premium payment term. For a policy of 5 years and 10 years premium payment term on an annual premium payment mode, the capital guarantee is after the 15th year and the 18th year respectively. For a policy of 15 years and 20 years premium payment term on an annual premium payment mode, the capital guarantee is after the 19th year. This is also provided there has not been any policy alterations such as partial surrender since inception.

³ If the surrender value under your policy is at least 100% of two years' current installment premiums, you can choose to postpone paying the premiums for up to two years or until the end of the premium payment term, whichever is shorter.
