KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT? The value of the ILP Sub-Fund may rise or fall. These risk factors may cause you to lose some or all of your investment:</p>	<p>Refer to <i>Sec 5 – Risks</i> on the FIB for further information on risks of the ILP Sub- Fund.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> ○ You are exposed to market risk - The value of the Underlying Fund’s investments changes continuously, and can fall based on a wide variety of factors. ○ You are exposed to equity risk - Equities can lose value rapidly, and typically involve higher risks than bonds or MMIs. If a company goes through bankruptcy or a similar financial restructuring, its equities may lose most or all of their value. ○ You are exposed to credit risk - A bond or MMI could lose value if the issuer’s financial health deteriorates. 	

Liquidity Risks

- **The ILP Sub-Fund is not listed and you can withdraw your units only on Business Days.** There is no secondary market for the units in the ILP Sub-Fund. All withdrawal applications should be submitted to the Product Provider.
- **You may not be able to perform a withdrawal of units during any period where dealing is suspended.** Your right to withdraw units may be temporarily suspended under certain circumstances.

Refer to *Sec 10 – Suspension of Dealing* of the FIB for further information on suspension of dealing of the ILP Sub-Fund.

Product-Specific Risks

- **You are exposed to default risk.** - The issuers of certain bonds could become unable to make payments on their bonds.
- **You are exposed to high yield risk.** - Investment in high yield debt securities is subject to risks of interest rate, currency, market, credit and security.
- **You are exposed to emerging markets risk.** - Emerging markets are less established than developed markets and therefore involve higher risks, particularly market, liquidity, currency risks and interest rate risks, and the risk of higher volatility.
- **You are exposed to commodity-related investments risk.** - Commodity values can be highly volatile, in part because they can be affected by many factors, such as changes in interest rates, changes in supply and demand, extreme weather, agricultural diseases, trade policies and political and regulatory developments.
- **You are exposed to currency risk.** - Changes in currency exchange rates could reduce investment gains or increase investment losses, in some cases significantly. Exchange rates can change rapidly and unpredictably, and it may be difficult for the Underlying Fund to unwind its exposure to a given currency in time to avoid losses.
- **You are exposed to investment fund risk.** - Investing in any investment fund involves certain risks an investor would not face if investing in markets directly.

You should be aware that the ILP Sub-Fund and Underlying Fund may be exposed to other risks of an exceptional nature from time to time.

FEES AND CHARGES

WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT?

Fees payable directly by you

- You will need to pay the following fees and charges as a percentage of your gross investment sum:

Initial Investment Charge	Bid-offer spread of up to 5% of premium invested for cash and SRS investment. Please refer to the relevant Product Summary for details of charges incurred on your plan as charges may vary from product to product and may be lower than 5%. Note: ILP Sub-Fund offered under some products do not have bid-offer spread and are offered on single bid price basis. Please refer to the Product Summary and relevant fund documentation for more information.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from www.prudential.com.sg, Straits Times and The Business Times or such other publications or media as may from time to time be available.

Refer to *Sec 9 – Obtaining Prices of Units* and, *Sec 10 – Suspension of Dealing* of the FIB for further information on valuation and exiting from the ILP Sub-Fund.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:
 - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
 - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive and accept your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

Refer to section on “Review Period” or “Free Look Period” of the PS for further information on exiting from the policy.

1, 000	X	S\$0.95	=	S\$950
