

GUARANTEED ISSUANCE PLANS AGGREGATION RULE: IN-SCOPE PRODUCTS
(Current selling products as at 3 October 2023)

The aggregate premiums payable for selected plans per life assured issued in the past 24 months cannot exceed S\$15 million (or equivalent). The calculation is based on the total committed premiums of the product, excluding premiums for supplementary benefits (if any) (e.g. 10 x annual premium for a 10-year premium term product, or full single premium for a single premium product). US dollar denominated policies will be aggregated after applying an exchange rate of US\$1 to S\$1.40 on the premiums payable. We reserve the right to review/vary this rate.
