<sup>1</sup> The Minimum Annualised Premium is defined as the total premium due in a year for the basic policy, excluding any premiums paid for supplementary benefits or top-ups made via Investment Booster (Lump Sum), if any.

<sup>2</sup> All **PRUPoints** have an expiry of one year from date of issuance and 100 **PRUPoints** are equivalent to one Singapore dollar (S\$1). This conversion may be subject to change without prior notice at Prudential's absolute discretion.

<sup>3</sup> Extra premium is the excess premiums received within the Promotion Period excluding the premium for the current year (initial annual premium). To qualify for the promotion, the excess premium must be at least one time of the annual premium.

<sup>4</sup> The **PRUPoints** awarded to an eligible policy are calculated by multiplying the extra premium by the applicable percentage (determined based on the premium term and extra premium amount) and then multiplying the result by 100. All **PRUPoints** have an expiry of one year from date of issuance and 100 **PRUPoints** are equivalent to one Singapore dollar (S\$1). This conversion may be subject to change without prior notice at Prudential's absolute discretion.

## Important Notes:

You are recommended to read the product summary and seek advice from a qualified Prudential Financial Representative for a financial analysis before purchasing an insurance policy suitable to meet your needs.

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid.

Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. Premiums are not guaranteed and may be adjusted based on future claims experience.

**PRUVantage Assure II, PRUVantage Wealth II and PRUVantage Prosper** are Investment-Linked Plans (ILP) which invest in ILP sub-fund(s). Investment products are subject to investment risks including the possible loss of the principal amount invested. The performance of the ILP sub-fund(s) is not guaranteed and the value of the units and the income accruing to the units (if any) may fall or rise. Past performance is not necessarily indicative of future performance.

A product summary and product highlights sheet(s) relating to the ILP sub-fund(s) are available and may be obtained from your Prudential Financial Representative. A potential investor should read the product summary and product highlights sheet(s) before deciding whether to subscribe for units in the ILP sub-fund(s).
