¹The Minimum Annualised Premium refers to the total premium payable for the basic policy over a one-year period in the first policy year, excluding any premiums paid for supplementary benefits or top-ups made via Investment Booster (Lump Sum), if applicable.

²Promotion Bonus Units are additional units added to the Growth and/or Flex Account (where applicable) as per the account allocation set at policy inception. They are calculated as a percentage of the premium received for the basic policy in the first policy year, excluding any premiums paid for supplementary benefits or top-ups via the Investment Booster (Lump Sum), if applicable. For **PRUVantage Wealth III**, Promotion Bonus Units are awarded only on premiums allocated to **PRUPrime CIO Funds** only, where such funds are available for selection at policy inception.

³A clawback may apply if a fund switch from **PRUPrime CIO Funds** to other funds is made on or before Day 180 from policy inception. Please refer to the full Terms and Conditions for details.

Terms and conditions apply. Protected up to specified limits by SDIC. Information is correct as of 2 June 2026.
