¹The Minimum Annualised Premium refers to the total premium payable for the base plan over a one-year period in the first policy year, excluding any premiums paid for supplementary benefits or top-ups made via Investment Booster (Lump Sum), if applicable.

²Promotion Bonus Units are additional units added to the Growth and/or Flex Account (where applicable) as per the account allocation set at policy inception. They are calculated as a percentage of the premium received for the base plan in the first policy year, excluding any premiums paid for supplementary benefits or top-ups via the Investment Booster (Lump Sum), if applicable. Promotion Bonus Units are awarded only on premiums allocated to **PRU**Prime CIO Funds that are available for selection at policy inception.

³A clawback may apply if a fund switch from **PRU**Prime CIO Funds to other funds is made on or before Day 180 from policy inception. Please refer to the full Terms and Conditions for details.
