

Investment Objective

The Underlying Fund seeks to understand the world's social and environmental problems and to identify and invest primarily in the equities of companies that we believe are addressing these needs in a differentiated way through their core products and services. Through the Fund's investments, we seek to improve access to, and the quality of, basic life essentials, reduce inequality and mitigate the effects of climate change. The Fund seeks to deliver long-term total returns in excess of the MSCI All Country World Index
