KEY FEATURES OF THE ILP SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing into an ILP Sub-Fund which feeds into the Underlying Fund that aims to achieve capital growth over the long term and provide income.

Refer to *Sch 2 Sec a – Structure, Sec b – Investment Objective and Sec i – Distribution Policy* of the FIB for further information on

<ul style="list-style-type: none"> You may receive distributions if you are invested in a distributing share class. The Manager intends to make a distribution on or around the last Business Day in March, June, September, December of every calendar year or such other dates as the Manager may in its absolute discretion determine. Dividends may be paid out of capital or effectively out of capital and reduce the Fund's net asset value. 	<p>the Key Features of the ILP Sub-Fund.</p>
Investment Strategy	
<ul style="list-style-type: none"> The Underlying Fund invests at least 70% (and normally 75%) of its assets, in income producing equities of companies from anywhere in the world, including emerging markets. The Underlying Fund aims to achieve an ESG score of its portfolio greater than that of its benchmark. The Investment Manager of the Underlying Fund also considers ESG characteristics when assessing investment risks and opportunities. The Underlying Fund may also invest in money market instruments on an ancillary basis. Investment Manager of the Underlying Fund aims to provide income in excess of the benchmark. The Underlying Fund may use derivatives for hedging, efficient portfolio management and investment purposes. 	<p>Refer to <i>Sch 2 Sec c – Investment Focus & Approach</i> of the FIB for further information on Investment strategy</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> <i>Prudential Assurance Company Singapore (Pte) Limited</i>: the Product Provider. <i>FIL Investment Management (Singapore) Limited</i>: the Manager of the ILP Sub-Fund. <i>FIL Fund Management Limited</i>: the Investment Manager of the Underlying Fund. <i>Brown Brothers Harriman (Luxembourg) S.C.A.</i>: the depositary of the Underlying Fund. <i>Standard Chartered Bank (Singapore) Limited</i>: Custodian of the ILP Sub-Fund 	<p>Refer to <i>Sec 2 – the Product Provider and Sec 3 - the Manager and the Investment Manager</i> of the FIB for further information</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>Investment involves risk. The value of the ILP Sub-Fund may rise or fall. These risk factors, among others, may cause you to lose some or all of your investment:</p>	<p>Refer to <i>Sec 5 - Risks</i> of the FIB for further information on risks of the ILP Sub-Fund.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> You are exposed to equities risk. <ul style="list-style-type: none"> Equities can lose value rapidly, and typically involve higher (often significantly higher) market risks than bonds or money market instruments. You are exposed to emerging markets risk. <ul style="list-style-type: none"> Emerging markets are less established, and more volatile, than developed markets. They involve higher risks, particularly market, credit, illiquid security, legal, custody, valuation and currency risks. You are exposed to market risk. <ul style="list-style-type: none"> Prices and yields of securities can change frequently with significant volatility based on a wide variety of factors, such as political and economic news, government policy and climate patterns. 	<p>Refer to <i>Sec 5 - Risks</i> of the FIB for further information on risks of the ILP Sub-Fund.</p>
Liquidity Risks	
<ul style="list-style-type: none"> The ILP Sub-Fund is not listed and you can withdraw your units only on Business Days. <ul style="list-style-type: none"> There is no secondary market for the units in the ILP Sub-Fund. All withdrawal applications should be submitted to the Product Provider. You may not be able to perform a withdrawal of units during any period where dealing is suspended. <ul style="list-style-type: none"> Your right to withdraw units may be temporarily suspended under certain circumstances. 	<p>Refer to <i>Sec 10 – Suspension of Dealing and Sec 5.1.9 – Liquidity Risk</i> of the FIB for further information on suspension of dealing and liquidity risk of the ILP Sub-Fund.</p>

- **You are exposed to liquidity risk.**
 - Any security could temporarily become hard to value or to sell at a desired time and price.
 - Liquidity risk could affect the Underlying Fund’s value and its ability to pay redemption proceeds or to repay, for example, repurchase agreement proceeds by the agreed deadline.

Product-Specific Risks

- **You are exposed to counterparty and collateral risk**
 - A counterparty could be unwilling or unable to meet its obligations to the Underlying Fund. The value of collateral might not cover the full value of a transaction, or any fees or returns owed to the Underlying Fund.
- **You are exposed to currency risk**
 - Any changes in currency exchange rates could significantly reduce investment gains or income, or increase investment losses.
 - Investors may also experience currency risk if the reference currency in which they subscribe or redeem is different to the base currency of the PRULink Funds due to the selection of different currency share class. Changes in currency exchange rates between the base currency and the reference currency can reduce investment gains or income, or increase investment losses, in some cases significantly.
- **You are exposed to derivatives risk**
 - The value of derivatives can be volatile. Small movements in an underlying asset’s value can create large changes in the derivative’s value and expose the Underlying Fund to losses that could be greater than the cost of the derivative itself.
- **You are exposed to hedging risk**
 - Hedging may not work as intended and involves costs, which reduce investment performance.
- **You are exposed to investment fund risk**
 - Investing in a fund involves certain risks an investor would not face if investing in markets directly, such as large outflows, valuation error and investment limitations.
- **You are exposed to operational risk**
 - The Underlying Fund could suffer losses due to errors, service disruptions or other failures, fraud, corruption, cyber crime, instability, terrorism or other irregular events.
- **You are exposed to sustainable investing risk**
 - The Underlying Fund may underperform the market or other funds that do not apply sustainability criteria.
- **You are exposed to volatility risk**
 - The Underlying Fund’s NAV has potential for high volatility due to its investment policy or portfolio management techniques.

Refer to *Sec 5 - Risks* of the FIB for further information on risks of the ILP Sub-Fund.

FEES AND CHARGES

WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT?

Fees payable directly by you

- You will need to pay the following fees and charges as a percentage of your gross investment sum:

Initial Investment Charge	Bid-offer spread up to 5% for cash and SRS investment. Please refer to the relevant PS for details of charges incurred on your plan as charges may vary from product to product and may be lower than 5%. For CPF investment: Prior to 1 October 2020, the net sales charge is up to 1.5%. With effect from 1 October 2020, the net sales charge is 0%. Note: ILP Sub-Fund offered under some products are on bid-offer spread. Please refer to the Product Summary and relevant fund documentation for more information.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from www.prudential.com.sg, or such other publications or media as may from time to time be available.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:
 - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
 - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows (in the currency of the Fund's share class):

$$\begin{array}{rclcl}
 1,000 & \times & \$0.95 & = & \$950 \\
 \text{Number of Units} & & \text{Bid Price} & & \text{Withdrawal} \\
 \text{Withdrawn} & & & & \text{Value}
 \end{array}$$

Refer to *Sec 9 – Obtaining Prices of Units* and, *Sec 10 – Suspension of Dealing* of the FIB for further information on valuation and exiting from the ILP Sub-Fund.

Refer to section on “Review Period” or “Free Look Period” of the PS for further information on exiting from the policy.
