Change of Payment Frequency

Change of payment frequency from Monthly to Non-Monthly can only be effected on the next policy anniversary date. Otherwise, advance premium payment is required for immediate processing. For example, from monthly to annual mode, the policyholder will have to pay the balance monthly premiums up to the next policy anniversary before the change to the annual premium can be effected. If the current payment method of your policy is by credit card, this advance premium payment will be charged to the same credit card. If the current payment method of your policy is via GIRO or cash, please make a payment to us for the advance premium.

* For change of payment frequency to monthly, your payment method has to be via Credit Card or GIRO.

For application for regular premium payment by Credit Card, please login to PRUaccess to apply online, or submit the Application for Regular Premium Payment by Credit Card form.

For application for regular premium payment by GIRO, please submit the Application for Premium Payment by Interbank GIRO application form.
