You are recommended to read the product summary and seek advice from a qualified financial adviser representative for a financial analysis before purchasing a policy suitable to meet your needs. As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid.

As some of the products have no savings or investment feature, there is no cash value if the policy ends or if the policy is terminated prematurely.

Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs. Premiums for some of the products are not guaranteed and may be adjusted based on future claims experience.

This brochure is for reference only and is not a contract of insurance. Please refer to the exact terms and conditions, specific details and exclusions applicable to this insurance product in the policy documents that can be obtained from your financial adviser representative. This brochure is for distribution in Singapore only and shall not be construed as an offer to sell or solicitation to buy or provision of any insurance product outside Singapore.

These policies are protected under the Policy Owners’ Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC). Coverage for your policy is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please contact your insurer or visit the GIA/LIA or SDIC web-sites (www.gia.org.sg or www.lia.org.sg or www.sdic.org.sg).
