Say Yes to the benefits of saving

Customise your premium and policy terms

Choose a premium term that best suits your needs and commit to what you are comfortable with. You have the option of paying annual premiums for a period of 5, 10, 15, 20 or 25 years and pick from a range of policy terms from 15 to 25 years.

Receive Yearly Cash Benefits

Meet your annual financial commitments with guaranteed Yearly Cash Benefit¹ from the 2nd Policy Anniversary onwards. Enjoy the flexibility of receiving your yearly cash benefit as payouts or let them accumulate for potentially higher returns.

Achieve your future goals with a Maturity Benefit

Grow your savings and receive a Maturity Benefit², payable at the end of your chosen policy term to fulfill your defined goals for the future.

Be financially protected against Death

Ensure your loved ones are provided for in the event of death.

Seamless Application

Sign up for your policy easily without any medical underwriting.

¹The Yearly Cash Benefit is 3% of the PRUActive Cash policy's Face Value. The Face Value is a notional value used to determine the Yearly Cash Benefit, Bonuses (non-guaranteed), and the Maturity Benefit. It is not the sum assured of the policy.

²The Maturity Benefit consists of the last instalment of the yearly cash benefit, guaranteed maturity value and non-guaranteed maturity bonuses (if any), less any amount owing to us.
