**PRULink Supergrowth Account**  
**PRULink Supersaver Account**

Get closer to your goals.  
One step at a time.

Your life goals are extremely important to you. Buying a beautiful house, getting your children the best education, being able to retire comfortably. It's only natural to look for a healthy financial harvest to see them come through. Choose an investment-linked plan that suits your financial abilities and helps you work towards your big plan.

With **PRULink Supergrowth Account**, you can kickstart your investment journey with a minimum single premium of S\$5,000. Ideal for those who're comfortable paying a lump sum.

The **PRULink Supersaver Account**, on the other hand, lets you invest bit by bit with a starting premium as low as S\$150 per month. You can also adjust your recurrent single premium amount as your needs change.

## Enjoy these benefits on both plans:

### Low investment cost

We believe, the cost of investing shouldn't stop you from making sound financial decisions. That's why, there are no policy and administration charges, allowing you to maximise the potential returns on your investments.

When you purchase your policy using cash or Supplementary Retirement Scheme (SRS) funds, an assurance charge, investment charges and net sales charge will apply. On the other hand, if you are purchasing your policy using a CPF Ordinary Account (CPFIS-OA) or CPF Special Account (CPFIS-SA), only the investment charges and net sales charge will apply.

### Tap into your existing pool of income

Both plans allow you to invest using funds from your CPFIS-OA, CPFIS-SA, SRS or cash, so you can make the most out of all aspects of your wealth.

## Enjoy greater flexibility

No matter how much we plan, life always throws new surprises at us. Like an unexpected bonus or a sudden windfall. That's why PRUlink supergrowth account and PRUlink supersaver account allow you to top up your premium amount at any time – making it easy to put in more money, when required.

You'll also enjoy the flexibility to withdraw funds from your policy at any time, without incurring any penalty.

## Easy way to diversify

Whether you're an investor with a high-risk appetite or a cautious investment approach, PRUlink supergrowth account and PRUlink supersaver account make it easy to put together a well-diversified, customized portfolio. You will have access to a wide selection of fund managers with different investment style, managing a diversified portfolio across asset classes that span local, regional and global markets.

## Hassle-free protection

Enjoy life protection benefit of 110% on the invested capital or the value of your funds at bid price, whichever is higher.

**Important Notes:**

You are recommended to read the product summary and seek advice from a qualified Prudential Financial Consultant for a financial analysis before purchasing a policy suitable to meet your needs.

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid. Investment products are subject to investment risks including the possible loss of the principal amount invested. The value of the units and the income accruing to the units (if any) may fall or rise.
