PRULink Supergrowth Account
PRULink Supersaver Account

Get closer to your goals.
One step at a time.

Your life goals are extremely important to you. Buying a beautiful house, getting your children the best education, being able to retire comfortably. It's only natural to look for a healthy financial harvest to see them come through. Choose an investment-linked plan that suits your financial abilities and helps you work towards your big plan.

With **PRULink Supergrowth Account**, you can kickstart your investment journey with a minimum single premium of S\$5,000. Ideal for those who're comfortable paying a lump sum.

The **PRULink Supersaver Account**, on the other hand, lets you invest bit by bit with a starting premium as low as S\$150 per month. You can also adjust your recurrent single premium amount as your needs change.

Enjoy these benefits on both plans:

Maximise your potential returns

Maximise your potential returns on your investment with low charges. Your investments via CPF Ordinary Account (CPF-OA), CPF Special Account (CPF-SA) will enjoy 0% net sales charge, no policy administration charge and no assurance charge. While investments via Supplementary Retirement Scheme (SRS) or cash will enjoy no policy administration charge, sales charge of up to 3% and applicable assurance charge. Investment charge will apply on both plans.

Choice of payment

Invest funds using your CPF-OA, CPF-SA, SRS or cash.

Enjoy greater flexibility

You have the option to make ad hoc contribution to your policy at any time to take advantage of market opportunities or invest any surplus, starting with a minimum top up of \$2,000.

At the same time, if you need, your funds are available to you for withdrawals at any time, without incurring any penalty. Minimum withdrawal amount of \$1,000.

Easy way to diversify

Whether you're an investor with a high-risk appetite or a cautious investment approach, **PRULink Supergrowth Account** and **PRULink Supersaver Account** make it easy to put together a well-diversified, customized portfolio. You will have access to a wide selection of fund managers with different investment style, managing a diversified portfolio across asset classes that span local, regional and global markets.

Hassle-free protection

Sign up without any medical examination and enjoy peace of mind with coverage against death of 110% of invested capital or the value of your funds at bid price, whichever is higher.

Important Notes:

You are recommended to read the product summary and seek advice from a qualified Prudential Financial Consultant for a financial analysis before purchasing a policy suitable to meet your needs.

As buying a life insurance policy is a long-term commitment, an early termination of the policy usually involves high costs and the surrender value, if any, that is payable to you may be zero or less than the total premiums paid.

PRULink Super Saver Account and **PRULink Super Growth Account** are Investment-Linked Plans (ILP) which invest in ILP sub-fund(s). Investment products are subject to investment risks including the possible loss of the principal amount invested. The performance of the ILP sub-fund(s) is not guaranteed and the value of the units and the income accruing to the units (if any) may fall or rise. Past performance is not necessarily indicative of future performance. A product summary and product highlights sheet(s) relating to the ILP sub-fund(s) are available and may be obtained from your Prudential Financial Consultant. A potential investor should read the product summary and product highlights sheet(s) before deciding whether to subscribe for units in the ILP sub-fund(s).
