**Footnotes:**

- 1 The table shows the breakdown of premiums for a standard life under the plan type. A standard life is a life assured who, at point of proposal, does not have any pre-existing conditions.
- 2 Singaporeans or Permanent Residents of Singapore can utilise their Medisave to pay for their dependants who are foreigners, equivalent to the sum of the MediShield Life premium and the Additional Withdrawal Limits.
- 3 The MediShield Life premiums may differ depending on the premium subsidies, premium rebates and whether the customer needs to pay for the Additional Premiums. The net MediShield Life premium payable after accounting for these is fully payable by Medisave.
- 4 This column is not applicable if the customer is paying the full premiums in cash.
- 5 Maximum entry age is 55 next birthday for the life assured who is a foreigner. Premiums shown are for renewal only.
- 6 Maximum entry age is 75 next birthday for the life assured who is a Singaporean or Permanent Resident of Singapore. Premiums shown are for renewal only.
- 7 If you are a foreigner whose plan does not have a MediShield Life portion, your payer may wish to utilise an equivalent amount of Medisave to pay your premiums.
- 8 For the life assured who is a foreigner, the monthly payment mode for **PRU**extra is only available if the main **PRU**shield is paid using the policyowners' Medisave account.
- 9 If you are a foreigner whose plan does not have a MediShield Life portion and you have a Medisave account, you may wish to utilise an equivalent amount of Medisave to pay your premiums.
