

Investment Objective

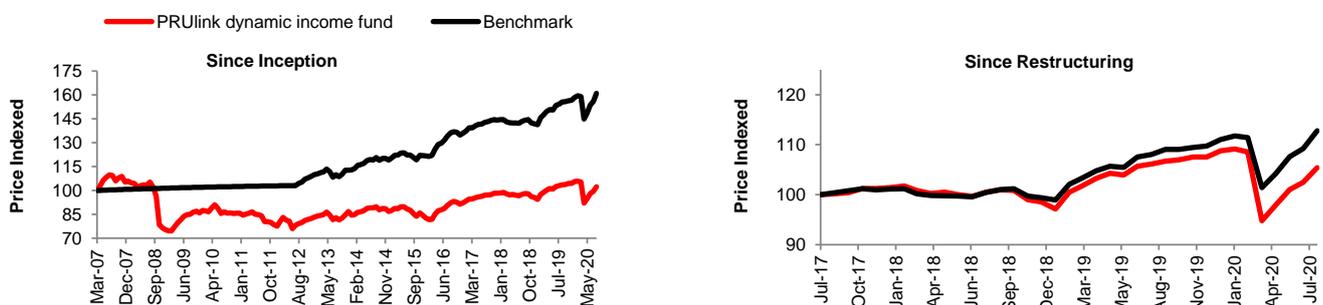

The investment objective of the Fund is to seek to provide investors with regular income and long-term capital growth by investing into the Underlying Fund which then invests: (i) 30% to 70% of its assets in US Bonds (such as investment grade bonds, high yield bonds, government bonds and/or fixed income collective investment schemes, including but not limited to Eastspring Investments – US High Yield Bond Fund (the “US High Yield Bond”)); and (ii) 30% to 70% of its assets in Asian Bonds (such as investment grade bonds, high yield bonds, government bonds and/or fixed income collective investment schemes, including but not limited to Eastspring Investments – Asian Bond Fund (the “Asian Bond”). The Underlying Fund may in addition, at the Investment Manager’s absolute discretion, invest up to 20% of its assets in any other investments such as other fixed income or debt securities, dividend yielding equities, real estate investment trusts and/or collective schemes.
