About First State Investments

First State Investments ('FSI'), known as Colonial First State Global Asset Management in Australia, is the investment management business of the Commonwealth Bank of Australia. We are a global asset manager with established offices across Europe, the US, Middle East, and Asia Pacific regions.

We are stewards of assets managed on behalf of institutional investors, pension funds, wholesale distributors, investment platforms, financial advisers and their clients worldwide.

With expertise across a range of asset classes and specialist investment sectors, our approach to investment is driven by a commitment to provide the best possible outcomes over the long term for our investors. To achieve this, we ensure our interests are aligned with our investors and uphold a culture of consistently acting in our clients' best interests.

Note: Asset allocation and top holdings/issuers information provided pertain to the underlying fund. This document is prepared for information only and does not contain or constitute investment advice. A copy of the Prospectus is available and may be obtained from the Manager, First State Investments (Singapore), or any of our distributors. Investors should read the Prospectus and consult a financial adviser before deciding to make any investment. In the event of discrepancies between the marketing materials and the Prospectus, the Prospectus shall prevail. The value of the Fund and the income from them, if any, may fall or rise. Past performance of the Fund or the Manager and any economic and market trends or forecast, is not indicative of the future or likely performance of the Fund or the Manager. Neither the Manager, nor any of its associates, nor any director, or employee accepts any liability for any loss arising directly or indirectly from any use of this document. Units are not available to U.S. persons. Reference to specific securities (if any) is included for the purpose of illustration only and should not be construed as a recommendation to buy or sell the same.

The CPF interest rate for the Ordinary Account (OA) is based on the 12-month fixed deposit and month-end savings rates of the major local banks. Under the CPF Act, the Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The government will maintain the 4% per annum minimum rate for interest earned on all Special and Medisave Accounts (SMA) and Retirement Account (RA) monies until 31 December 2018, subject to updates from the CPF board. The CPF Board will pay an extra interest rate of 1% per annum on the first S\$60,000 of a CPF member's combined balances, including up to S\$20,000 in the OA. In addition, CPF members aged 55 and above will also earn an additional 1% extra interest on the first \$30,000 of their combined balances (with up to \$20,000 from the OA). Only monies in excess of S\$20,000 in the OA and S\$40,000 in the Special Account can be invested.

This document is issued by First State Investments (Singapore) (registration number 196900420D). First State Investments (registration number 53236800B) is a business division of First State Investments (Singapore).
