**Liquidity Risks**

- **The ILP Sub-Fund is not listed and you can withdraw your units only on Business Days.**
  - There is no ready secondary market for the units in the ILP Sub-Fund. All withdrawal applications should be submitted to the Product Provider in the manner set out in the FIB.
- **You may not be able to perform a withdrawal of units during any period where dealing is suspended.**
  - Your right to withdraw units may be temporarily suspended under certain circumstances.

Refer to *Section 15 – Suspension of Dealing* of the FIB for further information on suspension of dealing of the ILP Sub-Fund.

**Product-Specific Risks**

- **You are exposed to derivatives risks.**
  - The Underlying Funds may use or invest in financial derivatives. The use of futures, options, warrants, forwards, swaps or swap options involves increased risks. The Underlying Funds’ ability to use such derivatives successfully depends on the Investment Manager’s ability to accurately predict movements in stock prices, interest rates, currency exchange rates or other economic factors and the availability of liquid markets. If the Investment Manager’s predictions are wrong, or if the derivatives do not work as anticipated, the Underlying Funds could suffer greater losses than if the Underlying Funds had not used the derivatives.
- **You are exposed to emerging markets and frontier risk.**
  - Emerging markets will generally be subject to greater political, legal, counterparty and operational risk.

**FEES AND CHARGES**

**WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT?**

**VALUATIONS AND EXITING FROM THIS INVESTMENT**

**HOW OFTEN ARE VALUATIONS AVAILABLE?**

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from [www.prudential.com.sg](http://www.prudential.com.sg), Straits Times and The Business Times or such other publications or media as may from time to time be available.

Refer to *Sec 14 – Obtaining Prices of Units* and, *Sec 15 – Suspension of Dealing* of the FIB for further information on valuation and exiting from the ILP Sub-Fund.

**HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?**

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:
  - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
  - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive and accept your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

Refer to section on “Review Period” or “Free Look Period” of the PS for further information on exiting from the policy.

1, 000	X	S\$0.95	=	S\$950
Number of Units Withdrawn		Bid Price		Withdrawal Value
