- **You are exposed to China country risk.**
 - Changes in China’s political, legal, economic or tax policies could cause losses or higher costs for the Underlying Fund.
- **You are exposed to currency risk.**
 - The Underlying Fund can be exposed to different currencies. Changes in foreign exchange rates could create losses.
- **You are exposed to derivatives risk.**
 - The Underlying Fund may use derivatives as part of the investment process. The use of futures, options, warrants, forwards, swaps or swap options involves increased risk. The Underlying Fund’s ability to use such instruments successfully depends on the Investment Manager’s ability to accurately predict movements in stock prices, interest rates, currency exchange rates or other economic factors and the availability of liquid markets. If the Investment Manager’s predictions are wrong, or if the derivatives do not work as anticipated, the Underlying Fund could suffer greater losses than if the Underlying Fund had not used such instruments.
- **You are exposed to emerging and frontier markets risk**
 - Emerging markets, and especially frontier markets, generally carry greater political, legal, counterparty and operational risk.
- **You are exposed to equity risk.**
 - Equity prices fluctuate daily, based on many factors including general, economic, industry or company news.
- **You are exposed to leverage risk.**
 - The Underlying Fund uses derivatives for leverage, which makes it more sensitive to certain market or interest rate movements and may cause above-average volatility and risk of loss.
- **You are exposed to Shanghai-Hong Kong/Shenzhen-Hong Kong Stock Connect risk.**
 - The Underlying Fund may be investing in China A-Shares via the Shanghai-Hong Kong Stock Connect and Shenzhen-Hong Kong Stock Connect which may entail additional clearing and settlement, regulatory, operational and counterparty risks.
- **You are exposed to operational risk**
 - Failures at service providers could lead to disruptions of fund operations or losses.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from www.prudential.com.sg, Straits Times and The Business Times or such other publications or media as may from time to time be available.

Refer to *Sec 9 – Obtaining Prices of Units* and, *Sec 10 – Suspension of Dealing* of the FIB for further information on valuation and exiting from the ILP Sub-Fund.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:
 - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
 - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive and accept your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

Refer to section on “Review Period” or “Free Look Period” of the PS for further information on exiting from the policy.

1, 000	X	S\$0.95	=	S\$950
