### Product-Specific Risks

- **You are exposed to Equities risk.**
  - The value of stocks may fluctuate, sometimes dramatically, in response to the activities and results of individual companies or because of general market and economic conditions or other events.
- **You are exposed to risks in investing in America.**
  - The Underlying Fund's investments are concentrated in one country and will have greater exposure to market, political, legal, economic and social risks of that country than a fund which diversifies country risk across a number of countries.
- **You are exposed to derivatives risks.**
  - The use of financial derivative instruments may give rise to leverage, liquidity, counterparty and valuations risks at times. In adverse situations, the Underlying Fund's use of derivative instruments may become ineffective and the Underlying Fund may suffer significant losses.
- **You are exposed to foreign currency risks.**
  - The Underlying Fund's total return and balance sheet can be significantly affected by foreign exchange rate movements if the Underlying Fund's assets and income are denominated in currencies other than the base currency of the Underlying Fund and this means that currency movements may significantly affect the value of the Underlying Fund's share price.

**VALUATIONS AND EXITING FROM THIS INVESTMENT**

**HOW OFTEN ARE VALUATIONS AVAILABLE?**

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from [www.prudential.com.sg](http://www.prudential.com.sg), Straits Times and Business Times or such other publications or media as may from time to time be available.

Refer to *Sec 7 – Withdrawal of Units* on Pg 15, *Sec 9 – Obtaining Prices of Units* on Pg 17 and, *Sec 10 – Suspension of Dealing* on Pg 17 of the FIB for further information on valuation and exiting from the ILP Sub-Fund.

**HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?**

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/ Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal. To apply, you must use the appropriate application form and meet the conditions on it. We will notify you if we accept the application.
- Your withdrawal value will be determined as follows:
  - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
  - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value within T + 6 Business Days. If we receive your withdrawal request with all the documents and information:
  - by 3pm, T will be on the same business day we receive your withdrawal request;
  - after 3pm, T will be the next business day after we receive your withdrawal request.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

Refer to section on “Review Period” or “Free Look Period” of the PS for further information on exiting from the policy.

1,000	X	S\$0.95	=	S\$950
Number of Units Withdrawn		Bid Price		Withdrawal Value
