**KEY FEATURES OF THE ILP SUB-FUND**

**WHAT ARE YOU INVESTING IN?**

- You are investing in an ILP Sub-Fund which feeds into Schroder International Selection Fund Global Target Return Class .
- The Underlying Fund aims to provide capital growth and income of USD 3 month LIBOR (or alternative reference rate) + 5% per annum before fees have been deducted over rolling three year periods by investing in a broad range of asset classes worldwide. There is no guarantee that the objective will be attained and your capital is at risk.
- You may receive quarterly distributions on or around the last Business Day in March, June, September and December of every calendar year or such other dates as the Manager may in its absolute discretion determine. **Distributions are at the discretion of the Manager and/or Prudential Singapore and there is no guarantee, assurance and/or certainty that any distribution will be made.**

Refer to *Sch 3, Sec II – Investment Objective, Sec VI - Distribution Policy* of the FIB for further information on features of the ILP Sub-Fund.

**Investment Strategy**

- The Fund and the Underlying Fund share the same investment strategy.
- The Underlying Fund is actively managed and invests directly or indirectly (through open-ended Investment Funds and derivatives) in equities and equity related securities, fixed and floating rate securities (issued by governments, government agencies, supranationals and companies), mortgage-backed and asset-backed securities, convertible bonds, currencies and Alternative Asset Classes such as real estate, infrastructure and commodity related transferable securities..
- The Underlying Fund may hold up to 40% of its assets in open-ended Investment Funds. However, as the Underlying Fund grows the Investment Manager expects the Underlying Fund to hold less than 10% in open-ended Investment Funds. The Underlying Fund may invest in securities that have a below investment grade credit rating (as measured by Standard & Poor's or any equivalent grade of other credit rating agencies).
- The Underlying Fund may use derivatives (including total return swaps) with the aim of achieving investment gains, reducing risk or managing the Underlying Fund more efficiently. The Underlying Fund may also invest in money market investments and hold cash.

Refer to *Sch 3, Sec III Investment Strategy* of the FIB for further information on Investment Strategy.

**FEES AND CHARGES**

**WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT?**

Fees payable directly by you

- You will need to pay the following fees and charges as a percentage of your gross investment sum:

Initial Investment Charge	Up to 5% of premium invested. Please refer to the relevant PS for details of charges incurred on your plan as charges may vary from product to product and may be lower than 5%. For PRUActive LinkGuard, there is no bid-offer spread and only the bid price applies.
---------------------------	--

Fees payable by the ILP Sub-Fund

- The ILP Sub-Fund will charge the following fees and charges:

Continuing Investment Charge	1.30% per annum. We reserve the right to vary the continuing investment charge. Any increase in the continuing investment charge will be up to a maximum of 2% per annum but we will not do so before giving you 6 months' written notice.
------------------------------	--

Refer to *Sch 3, Sec IX – Fees* of the FIB for full details on the fees and charges that apply.

**VALUATIONS AND EXITING FROM THIS INVESTMENT**

**HOW OFTEN ARE VALUATIONS AVAILABLE?**

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from [www.prudential.com.sg](http://www.prudential.com.sg), Straits Times and The Business Times or such other publications or media as may from time to time be available.

**HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?**

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:
  - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
  - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive and accept your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

$$\begin{array}{rcccl}
 1,000 & \times & S\$0.95 & = & S\$950 \\
 \text{Number of Units} & & \text{Bid Price} & & \text{Withdrawal} \\
 \text{Withdrawn} & & & & \text{Value}
 \end{array}$$

Refer to *Sec 9 – Obtaining Prices of Units* and, *Sec 10 – Suspension of Dealing* of the FIB for further information on valuation and exiting from the ILP Sub-Fund.

Refer to section on “Review Period” or “Free Look Period” of the PS for further information on exiting from the policy.
