Note to Housing Protection Scheme (HPS) Policyholders

Please note that if you have used the above policy to be exempted from the CPF Board's Home Protection Scheme (HPS), the policy must remain in force so that you and your family are protected from losing your HDB flat in the event of death, terminal illness, or total permanent disability. If there are changes to the above policy, your exemption would be voided, and you would be required to reapply for exemption from HPS by purchasing other private policies or apply to be insured under HPS. Otherwise, if you are using CPF monies to service the monthly installment, CPF Board may automatically extend HPS coverage to you, based on the declared percentage that you are exempted for, subject to you being in good health.
