**37
PEOPLE**
ARE DIAGNOSED WITH
CANCER EVERY DAY*

When cancer strikes, the cost often goes beyond dollars and cents. While your medical insurance plan may cover your hospitalisation expenses, an illness like cancer can seriously affect your ability to earn a steady income. This may lead you to compromise on your standard of living.

Whether it's your children's education, utility bills or debts such as a housing or car loan, worrying about these financial commitments should be the last thing on your mind.

That's where **PRU**triple protect can help by ensuring you have sufficient funds to cover your lost income and reduce your debt. **PRU**triple protect provides protection against major illnesses so you and your family can continue living life without compromising on your way of life.

Key Benefits[^]:

Stay protected even after a claim

With **PRU**triple protect, your coverage doesn't end after you have made your first major illness (Critical Illness) claim. You can claim up to 300% of your basic coverage amount (Sum Assured) and for multiple illnesses.

Comprehensive coverage

On top of major illness coverage, **PRU**triple protect will also cover you against death, Total and Permanent Disability, and medical conditions under a special benefit. Also, with the 'Early Protector' rider, you will be covered for up to 106 early to late-stage medical conditions.

One of the highest major illness coverage available

Your maximum total payout could be as high as S\$9M, one of the highest in the market.

Keep up with changing needs

Choose to convert your **PRU**triple protect policy to a whole of life policy and endowment plan without proof of good health.
