## **DISCOVER:** Prudential Corporate Internship Programme

### **Take charge of your development.**

Each year at Prudential, we select a cohort of students who are looking for real-world, hands-on experience.

Be a part of this tailored training programme designed for students to gain significant exposure to the life insurance industry. Interns will take on divisional projects across Prudential Singapore, working with various stakeholders and Prudential leaders while developing core skills in business innovation, as well as receive training to build yourself up for future job opportunities.

#### **Duration**

2 - 6 months

#### **Entry Requirements**

- In polytechnic or university
- Excellent interpersonal and communication skills

#### **Gain exposure and experience in the following areas:**

- Actuarial
- Customer Management
- Distribution
- Finance
- Human Resources
- Information Technology
- Marketing
- Strategic Planning
- ...and more!

CONNECT ♦ GROW ♦ SUCCEED
